Re: Countervailing Duty Investigation of Certain Paper Plates from the Socialist Republic of Vietnam: Quantity and Value Questionnaire

Dear Sir or Madam:

On February 14, 2024, the U.S. Department of Commerce (Commerce) initiated a countervailing duty investigation to determine whether certain paper plates from the Socialist Republic of Vietnam (Vietnam) imported into the United States has benefitted from countervailable subsidies.

In advance of the issuance of the countervailing duty questionnaire, Commerce asks that you respond to the questions in Attachment I to this letter, requesting information on the quantity and U.S. dollar sales value of all your sales to the United States during the period of investigation January 1, 2023, through December 31, 2023, covered by the scope of this investigation, produced in Vietnam. The scope of the investigation is included in Attachment II to this letter, and general instructions for responding to this letter are contained in Attachment III. Your receipt of this letter does not indicate that you will be chosen as a mandatory respondent because Commerce may find it is necessary to limit individual examination of respondents and conduct respondent selection under section 777A(c)(2) of the Tariff Act of 1930, as amended (the Act). Your response to this letter may be subject to on-site verification by Commerce officials.

Please note that, for paper plates from Vietnam, Commerce issued two similar quantity and value questionnaires: one for an antidumping duty investigation (case number A-552-839) and one for a countervailing duty investigation (case number C-552-840). These two quantity and value questionnaires request the same information but for different time periods. In addition, they must be filed under different case numbers in Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) at https://access.trade.gov. You must respond to each quantity and value questionnaire separately.

Your response to this quantity and value questionnaire is due to Commerce **no later than 5:00 p.m. Eastern Time (ET), February 28, 2024**. Due to time constraints in this investigation, Commerce will be limited in its ability to extend the deadline for the response to this quantity and value questionnaire. All submissions to Commerce must be accompanied by a Certificate of Accuracy from company officials and, if represented by legal counsel or other firm, a Certificate of Accuracy from the representative. Additionally, all submissions to Commerce must be served on the appropriate interested parties. A list of interested parties are regularly updated and maintained as record documents in ACCESS at https://access.trade.gov. Certificates of service

and accuracy are in Attachment IV. General instructions for responding to this Quantity and Value Questionnaire are contained in Attachment III.

Note well:

Parties should be aware that the likelihood of Commerce granting an extension will decrease the closer the extension request is filed to the applicable time limit because Commerce must have time to consider the extension request and decide on its disposition. Parties should not assume that they will receive an extension of a time limit if they have not received a response from Commerce. For submissions that are due at 5:00 p.m. ET, if Commerce is not able to notify the party requesting the extension of the disposition of the request by 5:00 p.m. ET, then the submission would be due by the opening of business (8:30 a.m. ET) on the next business day. If a party requests an extension because of ACCESS/technical filing difficulties to which it did not receive a response from Commerce by 5:00 p.m. ET, and the filing difficulties persist past 8:30 a.m. ET on the next business day, the party should contact the case analyst.

If a party is experiencing issues with an ACCESS filing, the party should contact the ACCESS Help Desk by telephone to troubleshoot the filing issues. When experiencing filing issues on the day a submission is due, the filing party should also contact the official(s) in charge informing them of the filing difficulties. The submission for which a party is having difficulties filing on ACCESS should not be emailed to the case analyst or the official in charge.

Help Desk (202) 482-3150 access@trade.gov https://access.trade.gov

In the unlikely event that you have received this questionnaire after the deadline to respond, you must contact Commerce officials identified in the questionnaire within five days of receipt of the questionnaire to receive further instructions and a revised deadline for submission of the required information. Failure to do so may result in the presumption that you failed to cooperate by not acting to the best of your ability to comply with the request for information, and may use an inference that is adverse to your interests in selecting from the facts otherwise available, in accordance with section 776(b) of the Act.

If you fail to respond or fail to provide the requested quantity and value information, please be aware that Commerce may find that you failed to cooperate by not acting to the best of your ability to comply with the request for information, and may use an inference that is adverse to your interests in selecting from the facts otherwise available, in accordance with section 776(b) of the Act.

In general, Commerce has found that determinations concerning whether particular companies are affiliated and should be found to be cross-owned (*i.e.*, treated as a single entity for purposes of calculating subsidy rates), require a substantial amount of detailed information and analysis,

¹ See 19 CFR 351.103(b).

which often require follow-up questions and analysis. Accordingly, Commerce will not make a cross-ownership determination at the respondent selection phase of this investigation for purposes of respondent selection; please report volume and value data separately. Data pertaining to other, possibly affiliated, companies should be reported separately by those companies.

Should you have any questions regarding this matter, please contact Mary Kolberg at Mary.Kolberg@trade.gov or Garry Kasparov at Garry.Kasparov@trade.gov.

Sincerely

Aleks Nakutis

FORMAT FOR REPORTING QUANTITY AND VALUE OF SALES

In providing the information in the chart below, please provide the total quantity in kilograms and total value (in U.S. dollars) of all your sales to the United States during the period of investigation, January 1, 2023, through December 31, 2023, of merchandise covered by the scope of this investigation (*see* Attachment II), produced in the Socialist Republic of Vietnam.²

Please include only sales exported by your company directly to the United States. However, if your company made sales to third-countries for which you have knowledge that the merchandise was ultimately destined for the United States, please separately identify these sales quantities and the location (*i.e.*, countries) to which you made the sales.

Please do not report aggregate data for all of the companies that you believe should be treated as an affiliated, cross-owned company, but separately report your company's quantity and value data below. Quantity and value data pertaining to other, possibly affiliated companies, that you believe should be treated together with your company as a cross-owned company should be separately reported by those companies. In other words, for every company that you are reporting exports for, please submit a separate chart with the individual quantity and value information.

Market: United States	Total Quantity (kilograms)	Terms of Sale ³	Total Value ⁴ (U.S. Dollars)
Sales of Subject Merchandise to the United States			
2. Sales to Third Countries Destined to the United States Total			

² Please use the invoice date when determining which sales to include within the period noted above. Generally, Commerce uses invoice date as the date of sale, as that is when the essential terms of sale are set. If you believe that another date besides the invoice date would provide a more accurate representation of your company's sales during the designated period, please report sales based on that date and provide a full explanation.

³ To the extent possible, sales values should be reported based on the same terms (e.g., FOB).

⁴ Values should be expressed in U.S. dollars. Indicate any exchange rates used and their respective dates and sources.

DESCRIPTION OF PRODUCTS UNDER INVESTIGATION

The merchandise subject to these investigations is certain paper plates. Paper plates subject to these investigations may be cut from rolls, sheets, or other pieces of paper and/or paper board. Paper plates subject to these investigations have a depth up to and including two (2.0) inches, as measured vertically from the base to the top of the lip, or the edge if the plate has no lip. Paper plates subject to these investigations may be uncolored, white, colored, or printed. Printed paper plates subject to these investigations may have any type of surface finish, and may be printed by any means with images, text and/or colors on one or both surfaces. Colored paper plates subject to this investigation may be colored by any method, including but not limited to printing, beater-dyeing, and dip-dyeing. Paper plates subject to these investigations may be produced from paper of any type (including, but not limited to, bamboo, straws, bagasse, hemp, kenaf, jute, sisal, abaca, cotton inters and reeds, or from non-plant sources, such as synthetic resin (petroleum)-based resins), may have any caliper or basis weight, may have any shape or size, may have one or more than one section, may be embossed, may have foil or other substances adhered to their surface, and/or may be uncoated or coated with any type of coating.

The paper plates subject to these investigations remain covered by the scope of these investigations whether imported alone, or in any combination of subject and non-subject merchandise. When paper plates subject to these investigations are imported in combination with non-subject merchandise, only the paper plates subject to these investigations are subject merchandise.

The paper plates subject to these investigations include paper plates matching the above description that have been finished, packaged, or otherwise processed in a third country by performing finishing, packaging, or processing that would not otherwise remove the merchandise from the scope of the investigations if performed in the country of manufacture of the paper plates. Examples of finishing, packaging, or other processing in a third country that would not otherwise remove the merchandise from the scope of the investigations if performed in the country of manufacture of the paper plates include, but are not limited to, printing, application of other surface treatments such as coatings, repackaging, embossing, and application of foil surface treatments.

Excluded from the scope of these investigations are paper plates produced molded or pressed directly from paper pulp (including but not limited to unfelted pulp) which are currently classifiable under subheading 4823.70.0020 of the Harmonized Tariff Schedule of the United States (HTSUS).

Also excluded from the scope of these investigations are articles that otherwise would be covered but which exhibit the following two physical characteristics: (a) depth (measured vertically from the base to the top of the lip, or edge if no lip) equal to or greater than 1.25 inches but less than two (2.0) inches, and (b) a base not exceeding five (5.0) inches in diameter if round, or not exceeding 20 square inches in area if any other shape.

Also excluded from the scope of these investigations are paper bowls, paper buckets, and paper food containers with closeable lids.

Paper plates subject to these investigations are currently classifiable under HTSUS subheading 4823.69.0040. Paper plates subject to these investigations also may be classified under HTSUS subheading 4823.61.0040. If packaged with other articles, the paper plates subject to these investigations also may be classified under HTSUS subheadings 9505.90.4000 and 9505.90.6000. While the HTSUS subheading(s) are provided for convenience and customs purposes, the written description of the subject merchandise is dispositive.

GENERAL INSTRUCTIONS

Instructions for Filing the Response

The following instructions apply to all documents you submit to Commerce during the course of this proceeding.

A. Due Date

- 1. All submissions must be made electronically using Commerce's ACCESS website at https://access.trade.gov, unless an exception applies. To determine if your response qualifies for manual filing, see the section on "Manual Filing" below. All laws, regulations, and other descriptive materials that supplement your responses should be submitted on the same date as the initial response.
- 2. The **business proprietary** response should be submitted on the day specified on the cover page of this questionnaire. The **public version** of the response may be filed one business day after the proprietary response.
- 3. An electronically filed document must be received successfully in its entirety by ACCESS by 5:00 p.m. Eastern Time (ET) on the due date, unless an earlier time is specified. Where applicable, a submitter must manually file a document between the hours of 8:30 a.m. and 5:00 p.m. ET on the due date, unless an earlier time is specified.

B. Format

- 1. You are required to state in the upper right-hand corner of your cover letter the following information in the following format:
 - a. on the first line, indicate the case number stated on the cover page to this questionnaire;
 - b. on the second line, indicate the total number of pages in the document including cover pages, appendices, and any unnumbered pages;
 - c. on the third line, indicate the specific segment of the proceeding, (*e.g.*, investigation, administrative review, scope inquiry, suspension agreement, *etc.*) and, if applicable, indicate the complete period of review (MM/DD/YY MM/DD/YY);
 - d. on the fourth line, indicate Commerce office conducting the proceeding;

- e. on the fifth and subsequent lines, indicate whether any portion of the document contains business proprietary information and, if so, list the page numbers containing business proprietary information; and indicate the business proprietary/public status of the document and whether you agree or object to release of the submitted information under administrative protective order (APO) by stating one of the following:
 - "Business Proprietary Document -- May Be Released Under APO,"

 - "Business Proprietary/APO Version-- May Be Released Under APO," as applicable,
 - "Public Version," or
 - "Public Document."
- 2. Please include a "Re:" line on the cover letter of your response, or any other submissions you make during this proceeding. In the Re: line, briefly summarize the purpose of your submission, *e.g.*, "response to questionnaire," "case brief."
- 3. Prepare your response in typed form and in English. See 19 CFR 351.303(d) and (e) for these and other formatting requirements. Include an original and translated version of all pertinent portions of non-English language documents that accompany your response, including financial statements.
- 4. It is your responsibility to contact the official in charge if subsequent to your filing there are events that affect your response, *e.g.*, changes in your cost accounting system are relevant to antidumping proceedings, and changes as a result of an audit are relevant to both antidumping and countervailing duty proceedings.

C. Manual Filing

- ** On the date of this questionnaire, alternative arrangements for manual filing must be made. If you are unable to file your submission electronically in ACCESS such that alternative arrangements are needed, please contact an official in charge at least 72 hours before the due date. For data files larger than 50 MB, email the ACCESS Help Desk at access@trade.gov so that they may assist you in reducing the size of your file.**
 - 1. All submissions must be filed electronically. Only under the following four circumstances will Commerce accept a hardcopy response that is manually filed:
 - Documents exceeding 500 pages in length <u>may</u> be filed manually (in paper form) in the APO/Dockets Unit. This is referred to as a "bulky document."
 - Data files greater than 50 MB must be filed manually on CD-ROM or DVD.

- If the ACCESS system is unable to accept filings continuously or intermittently over the course of any period of time greater than one hour between 12:00 p.m. and 4:30 p.m. ET or for any duration of time between 4:31 p.m. and 5:00 p.m. ET, then a person may manually file the document in the APO/Dockets Unit. Commerce will provide notice of such technical failures on the ACCESS Help Desk line at (202) 482-3150 and on the Enforcement and Compliance website, which is https://www.trade.gov/us-antidumping-and-countervailing-duties.
- Apart from the above, if you are unable to comply with the electronic filing requirement, as provided in 19 CFR 351.103(c) of Commerce's regulations, and in accordance with section 782(c) of the Tariff Act of 1930, as amended (the Act), you must promptly notify the official in charge and submit a full written explanation of the reasons you are unable to file the document electronically. You must also suggest alternative forms in which to submit the information. Commerce will consider the ability of a submitter and may modify the electronic filing requirement on a case-by-case basis.
- 2. All manually filed documents must be accompanied by a cover sheet generated in ACCESS. For manually filed bulky documents, separator sheets must also be generated and used.
- 3. If your response qualifies as a bulky document and you opt to file it manually, you must file two identical paper copies of the document. For all other authorized manual submissions, only one paper copy is required.
- 4. Manual submissions must be addressed and submitted to:

Secretary of Commerce

Attention: Enforcement and Compliance, AD/CVD Operations Office V

APO/Dockets Unit, Room 18022

U.S. Department of Commerce

1401 Constitution Avenue NW

Washington, DC 20230

D. Certification

1. Submit the required **certification of accuracy**. Providers of information and the person(s) submitting it, if different (*e.g.*, a legal representative), must certify that they have read the submission and that the information submitted is accurate and complete. Commerce cannot accept questionnaire responses that do not contain the certification statements. Forms for such certification are included as appendices to this questionnaire. You may photocopy this form and submit a completed copy with each of your submissions.

- 2. Provide the required **certificate of service** (included as an appendix) with each business proprietary document and public version submitted to Commerce.
- 3. Signed certifications of accuracy and certificates of service should be scanned and appended to the appropriate electronic documents filed in ACCESS.

E. <u>Business Proprietary Information and Summarization of Business Proprietary</u> Information

- 1. Request business proprietary treatment for information submitted that you do not wish to be made publicly available. As a general rule, Commerce places all correspondence and submissions received in the course of an antidumping or countervailing duty proceeding in a public reading file. However, information deemed to be proprietary information will not be made available to the public. If you wish to make a request for proprietary treatment for particular information, refer to 19 CFR 351.304, 351.305, and 351.306. You must submit the request for proprietary treatment at the same time as the claimed business proprietary information is submitted to Commerce.
- 2. Utilize the "one-day lag rule" under 19 CFR 351.303(c)(2) if you wish an additional day to review the final bracketing of business proprietary information in a document and to prepare the required public version. The filing requirements under the one-day lag rule provide for a party to file only the business proprietary document within the applicable time limit (19 CFR 351.303(c)(2)(i)). By the close of business one business day after the date the business proprietary document is filed, the person must file the complete final business proprietary document (19 CFR 351.303(c)(2)(ii)). The final business proprietary document must be identical to the original document except for any bracketing corrections.
- 3. By the close of business one business day after the date the business proprietary document is filed (refer to the "one-day lag rule" in the preceding paragraph), submit the public version of your response (19 CFR 351.303(c)(2)(iii)). A public version must contain:
 - a. a non-proprietary (public) version of your response that is in sufficient detail to permit a reasonable understanding of the information submitted in confidence, and/or
 - b. an itemization of particular information that you believe you are unable to summarize. State the reasons why you cannot summarize each piece of information.

Note: The summarization requirement does not apply solely to the narrative portion of your response. It applies equally to worksheets and other appendices to your response, and even to sales and cost databases submitted in antidumping

proceedings. Generally, numerical data, such as that provided in sales and cost databases in antidumping proceedings, are adequately summarized only if grouped or presented in terms of indices or figures ranged within 10 percent of the actual figure. If a particular portion of data is voluminous, use ranged figures for at least one percent of the voluminous portion.

Responses, or portions thereof, that are not adequately summarized may be rejected from the record of this proceeding.

- 4. Submit the statements required regarding limited release of business proprietary information under the provisions of an APO. U.S. law permits limited disclosure to representatives of parties (*e.g.*, legal counsel) of certain business proprietary information, including electronic business proprietary information, under an APO. (Note that data received under an APO cannot be shared with others who are not covered by the APO.) Under the provisions governing APO disclosure, you must submit either:
 - a. a statement agreeing to permit the release under APO of information submitted by you in confidence during the course of the proceeding, or
 - b. a statement itemizing those portions of the information which you believe should not be released under APO, together with arguments supporting your objections to that release.

We are required by our regulations to reject, at the time of filing, submissions of business proprietary information that do not contain one of these statements. As discussed above, you must state in the upper right-hand corner of the cover letter accompanying your questionnaire response whether you agree or object to release of the submitted information under APO (*e.g.*, May Be Released Under APO or May Not Be Released Under APO). (*See* 19 CFR 351.304 for specific instructions.⁵)

- 5. Place brackets ("[]") around information for which you request business proprietary treatment. Place double brackets ("[[]]") around information for which you request proprietary treatment and which you do not agree to release under APO.⁶
- 6. Provide to all parties whose representatives have been granted APO access and who are listed on Commerce's most recent APO Service List, a complete copy of the submission proprietary document and public version, except for that information

⁵ If you do not agree to release under APO all or part of the proprietary information, but we determine that the information should be released, you will have the opportunity to withdraw the information. *See* 19 CFR 351.304(d). However, any information which you withdraw will be taken out of the official record and will not be used in our determination.

⁶ Commerce will not disclose proprietary customer names under APO during an antidumping or countervailing duty <u>investigation</u> until either an order is published or the investigation is suspended. To ensure that proprietary customer names are properly treated in this case, place double brackets ("[[]]") around all proprietary customer names in your submissions to Commerce during the course of this investigation.

which you do not agree to release under APO.⁷ (APO service lists, as well as public service lists, are regularly updated and maintained as record documents in ACCESS at https://access.trade.gov.) If you exclude information because you do not agree to release it under APO, you must submit the complete business proprietary version, wherein information in double brackets has been excluded. This version of the response must be marked "Business Proprietary/APO Version – May Be Released Under APO" on the cover page. For parties that do not have access to information under APO, please provide a public version only.

Note: A chart summarizing AD/CVD document filing requirements can be found at https://access.trade.gov/Resources/filing/index.html. ACCESS filing instructions are

https://access.trade.gov/help/Handbook_on_Electronic_Filing_Procedures.pdf. Detailed and supplemental information concerning APOs, including the APO Handbook, a complete set of APO regulations, and APO application forms and service lists, can be found at https://www.trade.gov/administrative-protective-orders.

⁷Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until May 19, 2020, unless extended. *See Temporary Rule Modifying AD/CVD Service Requirements Due to COVID-19*, 85 FR 17006 (March 26, 2020).
